Insight Global Health: Sixth Year Electives

Insight

Please contact the IT Officer at it@insight.org.au to be put in touch with this placement participant for further information.

Placement
Saint Vincent and the Grenadines

Dates of Placement
09 April 2018

The Application Process
An email to kghsvg@vincysurf.com (legit email) and then completion of a few application forms which could be emailed upon completion.

Placement Structure / Typical Day
Ward rounds followed by some ward work. There were often tutorials on for the local students.

Level of Flexibility on the Placement
Fantastic!

Expectations and Assessment
Only that required by UoA.

Skills Gained
Surgical focussed examinations, theatre assisting, and surgical clinical consultations.

Placement Highlights
The time available to explore the beautiful grenadine islands ;)

Challenging Aspects of the Placement
The only challenge was the length of the clinic days - very exhausting.

Other Activities
Snorkel at beautiful reefs

Would you recommend this placement to someone interested in global health?
It is a very third world country with many eye-opening experiences. The degree of hands-on opportunities is more limited than some of the other global health focussed placements.
