

Please contact the IT Officer at [it@insight.org.au](mailto:it@insight.org.au) to be put in touch with this placement participant for further information.

**Placement**

Royal Infirmary, Edinburgh - AMU

**Dates of Placement**

07 May 2018

**The Application Process**

Applying through the University of Edinburgh contact - quite a few forms, and needed health checks too.

**Placement Structure / Typical Day**

Very very chilled - consultant was great, and when we went in we were out by 11 in the morning most days.

**Level of Flexibility on the Placement**

A lot of flexibility - very easy to get days off to travel.

**Expectations and Assessment**

None

**Skills Gained**

-

**Placement Highlights**

So much opportunity to travel around, and get away on the extended weekends.

**Challenging Aspects of the Placement**

-

**Other Activities**

-

**Would you recommend this placement to someone interested in global health?**
